Dear Parent/Carer

Reception and Year 1 - SHARING VIDEOS OF CHILDREN IN SCHOOL

As well as my role in EYFS, Year 1 and leading English at Captain Cook Primary School, I am currently working with Middlesbrough Local Authority English Hub to deliver training for teachers in Middlesbrough schools.

My training is focussed on ensuring that teachers plan and deliver the best support for children in developing their communication, language, reading and writing skills.

As part of my training I want to make some videos of the ways in which we teach and support these key skills at our school. The videos will include recorded interactions with children in our Reception and Year 1 settings. The children's faces and voices will be recorded and they may be called by their first name. The videos will only be shown in a professional capacity to teachers who attend the training.

I am writing to ask that, if you **DO NOT** want your child to be included in any videos I make for training purposes, you let school know by Friday 22nd September. Please e-mail the school inbox directly on ckcaptaincook@mcschools.org.uk.

If you have any questions about this or any other aspects of early literacy, just get in touch.

Kind regards

Jennie McNeal
