28<sup>th</sup> January 2020

Dear Parent/Carer

### **We're taking part in NSPCC Number Day!**

We are delighted to be supporting the NSPCC by taking part in their Number Day on **Friday 7 February 2020**.

The NSPCC believes that all children deserve a childhood free from harm but, sadly, that's not the case for many children. That's why the NSPCC is fighting for every childhood and working to help keep children safe from abuse.

The NSPCC needs our support. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern and the NSPCC Speak out Stay safe Programme which aims to equip a generation of children with the knowledge and understanding they need to stay safe from abuse and neglect through delivery of assemblies and workshops in schools.

### **Making maths meaningful**

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it.

We will be taking part in 'Dress up for Digits' and pupils will be invited to wear an item of clothing with a number on it, i.e. a football shirt, cap, netball shirt, a **onesie**, or upcycle a t-shirt with your own numbers and symbols. To help raise money for the NSPCC, we are asking for a donation of £1 per child with the intention of everyone in the school taking part in this special event.

### **It all adds up**

We're looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise in school will make an enormous difference to children today and help change the lives of children tomorrow.

Many thanks

Mr S Brown

Assistant Head Teacher
