

Captain Cook

Wraparound Care

At Captain Cook Primary School, we are proud to deliver our own Wraparound Care Package tailored to the needs of our school community. Our various offerings begin from 7:30am and conclude at 6:00pm. Please see below for more information.

Breakfast Club

Our very popular Breakfast Club sessions begin at 7:30am until 8:45am where the children are then escorted to their classes by the staff. Children have the option of toast (with various toppings) or cereal with juice or water.

The sessions are run by Captain Cook staff, thus ensuring that the children have a level of care that is consistent with the school and its expectations and values. During this time, staff will supervise children and set out a range of toys/games which children can imaginatively play with. They will also be encouraged to participate in some physical activity (eg. wake up shake up) before heading into school, as this helps them to feel energised and ready to learn.

Prices are £4 per session.

After School Club

Our successful After School Club programme is held between 3:00pm and 6:00pm during term time.

As with Breakfast Club, the sessions are run by Captain Cook staff, thus ensuring that the children have a level of care that is consistent with the school and its

expectations and values. Staff run activities each day which children can choose to take part in, as well as supervising homework/reading, provide a light snack (such as a sandwich and fruit with juice or water), and setting out a range of toys/games which children can imaginatively play with.

Our desire is for children to have fun but also rest if they need to, and for parents to be reassured that their children are well supervised and enjoying their after school time. The club is currently available for children from Reception upwards and is run mainly in upper school hall with the plan of moving to lower school shortly. We utilise the ICT suite at the moment and will utilise the tunnel area once down in lower school in order to ensure that children have access to a quieter/calmer space.

Where appropriate, particularly during warmer months and lighter evenings, the children will also have the opportunity to play in the outdoor area, using facilities such as the play equipment, AstroTurf and the wild area, which will be supervised by the staff also.

Booking is on a first come, first served basis and must take place via the school gateway in advance of a session.

Prices are £9 per session.
