Dear Parent,

Following our recent inspection, I am delighted to provide you with a copy of our Ofsted report. I am sure that you will agree that the report highlights the many strengths of our school including how fantastic our children are. We would like to thank all those parents who took the time to complete the parent view form provided by Ofsted, and the inspector commented on the many positive responses received.

We are already working hard on tweaking our provision to make our school even better by addressing the small areas of improvement identified.

The very positive nature of the report stands as testament to the hard work and support received from all members of our school community. I would like to take this opportunity to thank you all for your continuous and ongoing support. If you wish to discuss any aspects of the report, please do not hesitate to get in touch.

Yours sincerely,

Mrs A Young
Head Teacher
