Dear Parent/Carer

Following a couple of recent incidents in the Upper School playground, I am writing to remind all parents that children are **not** permitted to play ball games **or** play on the astro-turf area before or after school. All children in Key Stage 2 have been spoken to this morning to remind them of this. Please can all parents ensure that their children adhere to this rule at all times - I am sure that you will appreciate that we are simply trying to keep the playground as safe as possible for all our children and their adults. Please note that children should not arrive onto the school playground until **8.30am at the earliest**.

In addition, I want to inform parents that children are **not** permitted to bring 'Prime' energy drinks into school. Once more, the children have been informed of this, and have also been told that they should not bring in any other drinks in a 'Prime' bottle. Again, we would appreciate if you could reinforce this with the children.

If you have any queries or concerns, please do not hesitate to contact the office.  
Many thanks for your continued support.

Yours sincerely,

Mrs A Young  
Head Teacher
