

Reception Overview

At Captain Cook Primary School we deliver our EYFS curriculum under the umbrella of half termly “Learning Contexts”. We use the Learning Context as a hook to engage and interest children while ensuring we deliver the statutory expectations of the Early Years Foundation Stage Framework. The Learning Contexts ensure children have been taught the breath of knowledge and been given the opportunities to meet the Early Learning Goals in all areas. The Learning Contexts also enable us to develop the foundational knowledge children will need to access our curriculum in KS1 and KS2. Topics are deliberately selected to develop children’s cultural capital and embed prior knowledge and experiences that will help them as they access our curriculum in KS1 and beyond. Learning Contexts are delivered predominately through the sharing of planned quality texts, visits, experiences and enhanced provision. We also deliver our curriculum through the use of agreed schemes, educational programs and structured interventions (as listed below and on the next page). Direct teaching, interventions and group work is prioritised. We recognise that parental engagement and involvement is essential in the development and progress of children in the EYFS. We ensure parental engagement and involvement throughout children’s time in our setting. How we do this is listed in the table below.

	AUTUMN TERM	SPRING TERM	SUMMER TERM
Learning Context	All Change Digging Up Dinosaurs	Adventurers and Explorers Captain Cook’s Favourite Book	Look Up! Space/That’s Super! Flexible Topic
Quality Texts Refer to the School Reading Spine for a detailed list of texts that will be used.
