Captain Cook Primary School, Stokesley Road,
Marton, Middlesbrough, TS7 8DU

23rd January 2026

Dear Parent/Carer

On Wednesday 28th January we are celebrating Maths Day by having an enterprise day at school.

The theme for the day is 'Grow your money!' Each class has been allocated some money to spend in order to prepare for the day. The children have been busy ordering, designing, and making their products to sell. The school has been a buzz of excitement as well as some healthy competition from the teachers as to which class will make the most profit!

Children will be selling their products during the school day, on Wednesday. If children wish to buy any products from the stalls, could they please bring cash to school on that day, maximum £5 per child (we do not wish for any parent to feel pressured to send this amount). If you could send coins to school with your child rather than notes that would be fantastic as this will also help children with their numeration skills!

Below is a list of the items that will be on offer for sale. Could you please discuss the list of items to buy, with your child, prior to the day so that children have the opportunity to buy things they want rather than using it all on the first stall they see!

Year 1 - Hot chocolate and popcorn (50p)
Year 2 - Therapy dough (50p)
Class 5 - Chocolate crispy cakes (50p)
Class 6 - Marshmallows dipped in chocolate (£1)
Class 7 - Tattoos (£1.50 - £2.50)
Class 8 - Wrapping paper (£1)
Class 9 - Lemonade (50 - 60p)
Class 10 - Iced biscuits (60p or a luxury version available for 70p)
Class 11 - Mystery boxes (£2)
Class 12 - Sweet cones (£2)
Adventure Suite - Tombola (50p)

Many thanks

Mrs V Morrow

Maths Lead
