As a reminder, **all sports and fitness-based after school clubs are free for all pupils**. In addition, children eligible for **Pupil Premium (Free School Meals)**, are also entitled to **one further after school club free of charge** per term. Clubs can be booked via Arbor. If you would like any help accessing Arbor or booking a club, please do not hesitate to contact the school office, where a member of staff will be happy to support you.

Please note that some clubs for this half term are already fully booked. However, if your child has been unable to secure a place, we are happy to **reserve a place for Pupil Premium children only for one club next half term**. If this is something you would be interested in, please contact the school office to discuss the available options.

We strongly encourage pupils to take part in after school clubs, as they provide many benefits, including:

- Developing confidence and social skills
- Building friendships and teamwork
- Improving physical health and wellbeing
- Supporting creativity, focus, and engagement with learning

If your child is not in receipt of free school meals and you think this is something you may be entitled to, please use the link on our school website to apply.

Yours sincerely
