

Message from Head

In school this year we've all been working hard to embed our new school virtues: our Captain Cook CHARTER (curiosity, honesty, ambition, resilience, teamwork, equity and responsibility.) As part of this, we have been focusing on taking responsibility for keeping our environment tidy and clutter free. Please can we ask for your support by ensuring that children only come to school with a school book bag containing their reading book and reading record, and a small water bottle with a secure lid.

Many thanks

Mrs L Acheson
Acting Head Teacher

Maths Day

Grow Your Money

Well done to all of our children for all their hard work in making Maths Day a success. Each class had a budget of £10.00 and came up with an enterprise to grow their money.

Congratulations to Class 12 who made a staggering profit of £156.00. They get to choose a class treat as a prize!

Overall we raised £920.00. This money will be used to purchase valuable maths resources to enhance the children's learning across school.

Thank you for your support.

Children's Mental Health Week

9th to 13th February

Children's Mental Health Week is a time to pause and focus on children's mental health and wellbeing. This year's theme, 'This Is My Place', explores how children experience belonging, feeling safe, included, and that they matter.

As a school it is very important to us that all children feel that they belong and feel safe in school. We have a range of services to support our children, from 1-1 support to referrals to local services. Our Pastoral Lead, Mrs Lake, is here to support children with their emotional well-being.

If you would like to speak to Mrs Lake please contact the school office.
